

## CAMSHAFTS & BUSHING KITS

### TRUCK CAMSHAFTS & BUSHING KITS

As the heart of the foundation air brake system, the brake camshaft must be designed and manufactured to meet the demands of today's harder working heavy duty brakes. State-Of-The-Art technology is utilized to manufacture all TRP brake camshafts. From computer numerically controlled (CNC) turret lathes to computer controlled heat treating equipment, TRP camshafts are made tough, durable and reliable.

#### FEATURES & BENEFITS

- » Cam head and shaft splines induction hardened for long life and durability
- » Forged cam heads for precision sizing and strength
- » Shaft splines machine-rolled for strength
- » Nationwide 12 month warranty

#### RELATED PARTS

- » Brake Drums
- » Brake Shoes
- » Wheel Seals
- » Wheel Bearings
